Cycling Western Australia is the peak body for cycle racing in Western Australia and a member of Cycling Australia.

Cycling WA co-ordinates competitive road and track cycling disciplines at State level supporting member clubs and event promoters with the delivery of racing events. Cycling WA is also responsible for the development of the sport in Western Australia.

We are seeking a highly motivated professional for the position of Chief Executive Officer.

The position will provide the successful candidate with an exciting opportunity to lead the future development of cycling in Western Australia. A new Board has recently been appointed by the members of Cycling WA to govern the sport and provide strategic direction to support and enhance the development of competitive cycling.

In order to be considered for this role, you will need to be a professional, energetic and ambitious manager with outstanding communication and stakeholder management skills. Candidates would be expected to demonstrate their ability to think strategically, to lead and develop a small management team, to drive change, and to position the sport of cycling as a major player in the sporting industry.

Enquiries should be directed to David Code, Interim CEO – Cycling Western Australia, on 08 9328 3422, and applications forwarded to CEO, Cycling Western Australia, P.O. Box 481 Leederville, WA, or to david.code@cyclimg.org.au by 5.00pm on Friday 4 June
