Swimming WA

29th March 2011

Purpose/aim of organisation: To promote the sport of swimming from grass roots, through to elite.

Size of organisation: We currently have 83 Clubs across WA with more than 5,000 members.

Number of staff members/volunteers: We have 11 staff and countless volunteers.

Key areas of focus at the present time: Our key areas of focus at the present time include supporting our swimmers competing in the National Age and Open Swimming Championships in April this year, and creating stronger links between school and club swimming.

Highlights in the last 12 months: Watching WA's own Blair Evans and Tomasso D'Orsogna compete at the 2010 Commonwealth Games in Delhi.

When and why did you become a Member of WA Sports Federation: Swimming WA has been a longstanding member of WASF. WA has one of the strongest sporting communities in Australia, and Swimming WA is proud to partner and support all sports as a member of WASF.

Other information about your organisation: Swimming WA can help you find a club, or even start your own if you are thinking of getting into swimming. We also deliver an Open Water Series, and partner with Recswim for recreational swimmers. Swimming WA's offices are located at Beatty Park, Vincent Street, North Perth.

How to get further info: Swimming WA can be contacted on (08) 9328 4599 or visit our website www.wa.swimming.org.au. For up-to-date news on WA's swimmers competing at the National Championships, head to Swimming WA's facebook page.
